

Total Logistics Moves Into New, Larger Premises In The Netherlands

On 1st September 2008 Total Logistics moved into new offices in Roermond.

Since the establishment of an office in the Netherlands three years ago, TL has seen significant growth in its client base in mainland Europe. A programme of recruitment is underway to increase the number of specialist consultants based in the Netherlands to keep ahead of this growth, and the new building offers ideal facilities to accommodate this expansion.

The new Dutch office can be reached via the address and telephone number below:

Total Logistics
Noordhoven 19b
6042 NW Roermond
Netherlands

Telephone: 0475 - 322 306
(from outside the Netherlands: 0031-475-322 306)

About Total Logistics:

Total Logistics specialises in all aspects of supply chain and logistics consultancy, with a client base that includes Nestlé, Unilever, adidas, Coty, Tesco and Hema. Working across the complete range of supply chain and logistics operations, Total Logistics functions solely to add value and subtract costs. Activities include strategy definition through to implementation and project management; network modelling, distribution strategy, location optimisation, cost modelling and benchmarking. Total Logistics' experience covers all industry sectors and its clients comprise sector leading companies but also much smaller lesser well-known names to whom its consultancy, advice and services are equally as critical. Over 70 per cent of its revenue comes from existing clients and its greatest source of new business derives from personal recommendations. Now recognised as a leading consultancy in this field, Total Logistics has established a reputation for delivering high quality, practical and robust solutions to clients' needs.
